### DESCRIPTION

This is an easy, peaceful and very beautiful road bike route, passing through the marvelous Natural Park of La Albufera and the nice coast of Valencia. We start from the city of the Arts and Sciences towards the South. We go through El Saler, always parallel to the coastline. We find La Albufera between pine trees and rice paddies and the natural park of La Dehesa. Finally we arrive to the town of Cullera to enjoy wonderful views of the entire Bay of Valencia

### CULTURAL AND TOURIST PLACES

**City of Arts and Sciences.** It is an entertainment-based cultural and architectural complex in the city. It is the most important modern tourist destination in the city of Valencia and one of the 12 Treasures of Spain. It is situated at the end of the former riverbed of Turia.

**Natural Park of La Albufera.** The park is home to the largest lake in Spain and one of the most important wetland areas in the Iberian Peninsula. It is a place of great ecological interest with rare species of wading birds and a rich variety of wildlife. To sample the best of the local gastronomy, go to the village of El Palmar to try classic dishes such as Paella.
